

Your gift can pave the way for a healthier Long Beach.

We invite you to commemorate our 100th birthday by making a special centennial gift to St. Mary. Your gift will help us continue our extraordinary mission of healing.

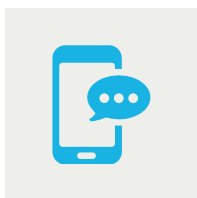

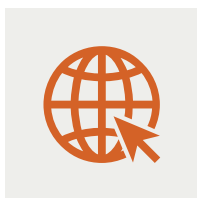

When you make a gift of \$100 or more before December 31, 2023, your support will be commemorated by having your name enshrined on our new Centennial Plaza (2024). Paver(s) can be inscribed in memory of departed loved ones, or to honor living family members, friends or colleagues.

Don't miss your opportunity to make a new Centennial Gift before the end of the year and receive a paver on the St. Mary Promenade.

HOW TO GIVE

There are lots of options; the Foundation wants to make this easy.

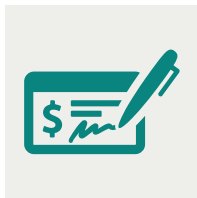

1. Text "STMARY" at 21000.

2. Give online at
www.supportstmary.org/birthday

3. Write a check to:

St. Mary Medical Center Foundation
(write "centennial gift" in memo); mail to:
St. Mary Medical Center Foundation,
1050 Linden Ave. Long Beach 90813
